

Green Apples – Fall 2008

This is a **free** MacsWest class that follows the regular Tuesday Q&A, beginning at 2:15 p.m.

We will be covering many of the basic procedures for using you Mac. Green Apples will include detailed instructions for using your Mac. Over the next few weeks we will be covering lots of material that you need to know to use you Mac easily.

Bill Turvin or I will be demonstrating procedures, as well as using tutorial videos that will help you in your everyday use of your Mac.

Included here are links to the handout PDF's that cover some of the classroom materials.

Other items include shortcuts, as well as links to other helpful online information.

See you at **Green Apples**.
