

# iPad Resource Page

MacsWest recommends that you use the following resources to teach you to use your iPad **and/or** to help you find an answer when you have a question about your iPad.

## 1. These websites are from Apple:

iPad Support from Apple

[www.apple.com/support/ipad/](http://www.apple.com/support/ipad/)

Guided Tours of iPad features by Apple (scroll down for complete list of videos)

[www.apple.com/ipad/videos/](http://www.apple.com/ipad/videos/)

iPad Assistant help from Apple

[www.apple.com/support/ipad/assistant/](http://www.apple.com/support/ipad/assistant/)

2. Go To **iBooks** on your iPad and download this **FREE** User's Guide:

“iPad User Guide for iOS5”

3. Check out the noteboom tutorials available in the App Store section of iTunes.

[www.noteboomproductions.com/ipad-apps/tutor-for-ipad-getting-started/](http://www.noteboomproductions.com/ipad-apps/tutor-for-ipad-getting-started/)

4.

**Mac to School**  
*helping people love their Macs since 1987*

Ruth Davis, Apple trainer, who has been very generous to our club with her time, has a guide which has handy tips for your iPad.
